**Lizton Forestry Consultant Elected Northern Region Director for
the Association of Consulting Foresters of America, Inc.**

[Lynchburg, VA] — [The Association of Consulting Foresters of America, Inc.](#) (ACF) is pleased to announce the election of Jennifer L. Boyle Warner, ACF, of Lizton, Indiana, as Northern Region Director. Warner began her three-year term on July 1, 2026, and will serve through June 30, 2029.

As Northern Region Director, Warner will act as a liaison between ACF's national leadership and the chapters in the Northern region, working to strengthen chapter engagement and represent the interests of members across the region. ACF is a national organization committed to serving independent consulting foresters who manage forests and market forest products for private woodland owners.

"Jennifer's leadership experience, collaborative approach, and commitment to our profession make her an outstanding addition to the Executive Committee," said ACF President Gerald H. Grossman, ACF. "She understands the importance of strong chapters, engaged members, and effective partnerships, and I look forward to the perspective she will bring to ACF's leadership."

Warner is Vice President of [ArborTerra Consulting, Inc.](#), a full-service forestry and natural resources consulting firm serving private landowners throughout western and central Indiana. Prior to joining ArborTerra in 2018, she spent nearly two decades working with soil and water conservation districts and natural resource organizations, including serving as Executive Director of the Indiana Association of Soil and Water Conservation Districts.

She has served ACF in multiple capacities, including as Chair of the Ethics Committee and as an active member of the Indiana Chapter. She is also active in the Society of American Foresters, the Indiana Tree Farm Committee, and the Indiana Woodland Steward. Warner is also a certified Natural Resources Conservation Service Technical Service Provider and completed the ACF Business Academy in 2023.

"I honestly have never been a part of something like ACF before in my career," said Warner. "The training and educational opportunities are invaluable, but what stands out most are the relationships I've built with colleagues across the country who have become trusted friends and resources. I'm honored to serve as Northern Region Director and look forward to being a voice for consulting foresters across the region while strengthening the connection between our members and ACF leadership."

“Jennifer brings a unique combination of forestry expertise, association leadership experience, and a deep commitment to member engagement,” added Shannon McCabe, CAE, Executive Director of ACF. “Her experience and thoughtful leadership will serve our members and the organization exceptionally well.”

Warner joins the 2026–2027 ACF Executive Committee alongside:
