

Steigerwaldt Land Services, Inc., is a full-service forestry, GIS, real estate, surveying, and appraisal company with offices in Tomahawk and Hayward, Wisconsin; and Negaunee, Michigan. Steigerwaldt has been a family owned and operated business since 1957.

We are currently seeking one **full-time, Staff Forester** at our Hayward, WI office location. Responsibilities include, but are not limited to tree marking, inventory, running harvest boundary lines, and timber sale administration.

Becoming a member of Steigerwaldt is more than just an opportunity to follow your passion in natural resources. It is an opportunity to be a part of an organization that fosters professional growth, nurtures your talent, and allows you to take ownership of your career path. A strong sense of brand, culture, and values define our company and our team. Our office culture is one that values synergy in the office and in the field.

Steigerwaldt creates a transparent and inclusive environment that involves you in team decision-making, cross-department learning, career path exploration, and hands-on experiences for you to grow your breadth of knowledge.

The intrinsic benefit of Steigerwaldt's work environment is complimented with a full benefit package* including:

- Profit sharing
- Health insurance
- Vacation
- Paid holidays
- 401k

** Following the successful completion of evaluation period. Salaries commensurate with experience.*

If this sounds like the supportive, passion-driven, professional environment you would engage and thrive in, please apply to join our team.

The ideal candidate would meet the following criteria and competencies to complete and excel in the day-to-day tasks of a Staff Forester and as a member of the Steigerwaldt team:

- Desires to develop a career as a professional forester in a fast-paced and diverse consulting business.
- Familiarity with Lake States forest management and timber harvest administration
- Embraces change and can modify behavior and plans to effectively achieve goals. Adaptability, flexibility, and change agility is necessary.
- Ability to travel and conduct overnight work away from the Hayward office – travel can be up to 25 to 50 percent. *Traveling has opened our team up to exciting locations and experiences.*
- A team player who is an ambassador of integrity, respect, curiosity, and flexibility.
- Has the drive, energy, and initiative to work independently in varied settings, both in the field and with clients and other professionals.
- Engages in active listening to understand and act on the expectations of peers, supervisors, and clients.
- An effective problem solver that can identify the root of a problem, provide productive solutions, act decisively, and show good judgement.
- Experience with GPS data collecting and processing
- Experience with ESRI GIS software and GIS mapping and data collection principles
- Current valid driver's license with personal vehicle suitable for forestry work (mileage is reimbursed)
- An individual who will use Steigerwaldt's mission of 'Quality work fast, with honesty and integrity' as a benchmark for decision making and standard of work.

Posting Date: September 4, 2020. Position will be filled within one to three months. Interviews will be scheduled throughout this time period. Desired start date is October 15, 2020, dependent upon candidate availability. Please note that this position may be filled sooner, as there is flexibility in the start date. Your resume with cover letter is to be transmitted by mail or email to the contact below.
